## Thank You!

The months of October, November and January have been spent traveling the central United States, speaking on behalf of Nuru Ya Mapendo. It has been my great joy to reconnect with old friends and make new ones. Each time I visit a church, I am reminded of God's great plan for mission. He ensures that, as a missionary, I am not able to do my work alone. It takes many churches and thousands of people to make mission a reality. Each of us has a role to fill in bringing the Gospel to those who have never heard the story.

As I return to the D.R.Congo at the end of this month, I want to thank all the churches and groups who have welcomed me and allowed me to share the work that God is doing in our remote area of the world. I want to thank all the individuals who have given both generously and sacrificially to provide me with the "basics" so that I can do my work- shelter, food, and funds for travel. I am so greatly humbled because of your gifts.

Recharged and refreshed, I'm excited to continue our projects and bring them to completion. There is much cause for celebration in the Kasenga District this year; you are offering the gift of hope! May God continue to bless both the givers and recipients.

## New Year, New Projects

A new calendar year means new opportunities for Nuru Ya Mapendo and the Kasenga District. We will be working with the Galilee Church and the Jane Wise Primary/Secondary School. The interior finishing work needs to be completed at the church so that the congregation can begin using the facility in 2021. We'll provide the teaching aids at the school so the teachers have the needed tools. We also received funds for ten (10) scholarships which will be awarded in June 2020 for the 2020-2021 school year. Many in the District have a bright future and reason for hope because of your giving!

# Agriculture

Thanks to everyone who donated garden seeds to Nuru Ya Mapendo; we're anxious to plant them! Our staff is preparing the soil and we'll start planting the first week in February. We'll also begin a new flock of broilers for the Easter season.

## Welcome!

We want to take a minute to say "Welcome!" to all those who are reading our newsletter for the first time. As we visit new churches and make new friends, you become a valuable member of our ministry. We welcome you into the work that God is doing in this remote and rural area in Congo and pray that you will be blessed by your participation. God is still doing great things!
